

Caring for a loved one during the COVID-19 (coronavirus) outbreak can add stress for dementia caregivers. We are here if you need us. Call our free, 24/7 Helpline at 800.272.3900 and visit alz.org/COVID19 to learn how you and your loved one with dementia can stay healthy. During business hours, contact us at 937.291.3332.

Alzheimer's Association 24/7 Helpline (800.272.3900): The Helpline is answered day or night by trained dementia specialists. We can offer support, information, referrals, or care consultations. We are able to speak with constituents in more than 200 different languages.

Support Groups: The Alzheimer's Association offers dial-in support groups and have shifted our preexisting groups to a virtual platform. To find a new support group to join, please call 937.610.7016. Find a list of meetings [here](#).

ALZConnected: This online support group is available 24/7 at alzconnected.org.

Virtual education: We will be offering a variety of free virtual webinars throughout April and May. To register, call 937.610.7011 or online [here](#). You will receive the sign in information via email once registered.

On Demand Training: You can start and stop our on demand training. They are available in English and Spanish at training.alz.org.

Telephone Care consultations: We can provide families with a personalized plan to help safely navigate Alzheimer's disease. Please contact us at 937.291.3332 to schedule a telephone care consultation.
